

A NATIONAL HISTORIC LANDMARK

## **Meadow Brook Hall Photography Policy**

Meadow Brook Hall guests are welcome to take photographs for personal and informal use.

### **Guidelines:**

- Photography is permitted for private, noncommercial use only. Photographs may not be published, sold, reproduced, distributed or otherwise commercially exploited in any manner.
- Non-flash interior photography for personal use is allowed during tours, community programs and special events at Meadow Brook Hall. For the safety and comfort of our visitors and the protection of this National Historic Landmark, we ask that you be aware of your surroundings and stay in permitted areas only.
  - No flash photography is permitted inside The Hall.
  - No photos of the paintings and prints at The Hall because of copyright issues.
  - Video recording and selfie-sticks are not allowed at any time.
  - Posed or group photographs are not allowed during guided tours.
  - Guests on guided tours must stay with the tour group at all times.
- Outdoor photography for personal use is permitted during regular museum and grounds operating hours.
- Costumes, props, and photo equipment such as tripods and large camera bags are prohibited, both inside and on the grounds, without a signed contract and appointment date from The Hall.
- Any activity that interferes with the use, operation, or enjoyment of the site can be limited or prohibited by Meadow Brook Hall staff.

For more information or to make an appointment for professional photography, please contact the Meadow Brook Hall Sales Department at (248) 364-6220.
