A National Historic Landmark, Meadow Brook Hall is the historic home built by one of the automotive aristocracy’s most remarkable women, Matilda Dodge Wilson, widow of automobile pioneer John Dodge, and her second husband, lumber broker Alfred Wilson.

Constructed between 1926 and 1929, the 110-room, 88,000 square-foot mansion represents one of the finest examples of Tudor-revival architecture in America. The expansive collection provides visitors and guests with insight into local history that has had an international impact, making this estate, with its family archives and original furnishings, unlike any place you have seen before.

Group tour and dining packages are a wonderful opportunity to gather friends, take pleasure in this beautiful house and gardens and enjoy a gourmet meal in a magnificent setting.
Ask your Event Coordinator about menu items that are cooked to order or served raw. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness.
